

Plimmerton Boating Club Power Boat Annual Fishing Competition Rules 2010 - 2011 Season

The annual fishing competition runs from May 1st 2010 to April 30th 2011. All fish caught during this period are eligible to win any of the categories listed below. Open to financial club members only and their immediate family if a family membership is held.

Additional to this there is also a winter section, which runs from May 1st 2010 to August 31st 2010.

1 As a club member all you have to do is enter your fish on one of the official entry forms, which are available from the Club House or on the web site, and drop the filled out form into the suggestion box out side the Club House front door.

2 The weight of the fish must be checked by another financial club member other than your self, and they must also sign the form.

3 The form must be filled out, and signed by yourself and your witness the same day the fish has been caught and weighed.

4 The form must then be placed in the suggestion box within seven days of being filled out. (If you cant get a form a clearly written entry on any paper is OK but may be questioned)

5 All fish entered must have been caught from boats based in the Plimmerton / Mana area, or of the rocks, and jetties immediately surrounding the club property. Only fish caught in the area covered by marine chart 46 can be entered into any Plimmerton Boating Club fishing competition. Boats fishing chart 46 must leave, and return to the Plimmerton / Mana area **in the same day. (No over night sounds trips)**

(Local fishing waters only.)

6 From the information on the form we will make sure all fish entered are placed in the correct categories.

7 You do not have to kill the fish to weigh them in if you scales with you at the time. If you have another club member on board, plus scales, they can weigh the fish so you can release it alive. This person must be the same person who signs the entry form for you.

8 Do not bring unwanted fish back to shore; you then only have to dispose of them.

9. All species count for junior and U10 so "If they catch it weigh it".

Categories

- Heaviest fish senior.
- Heaviest fish junior.
- Heaviest fish Junior under 10 years old.
- Heaviest Groper (open).
- Heaviest Snapper (open)
- Heaviest Kingfish (open).
- Heaviest Terakihi (open).
- Heaviest Kawhai (open).
- Heaviest Trevally (open).
- Heaviest Blue Cod (open).
- Top Fisherman Open (most points men's, ladies, junior).
- Top Fisherman Men's (most points).
- Top Fisherman Ladies (most points).
- Top Fisherman Junior (most points).
- Top Fisherman Winter (open, most points).

(Junior is any club member or family member 15 years of age or under at the start of the season.) (Junior under 10 is any club member or family member 10 years of age or under at the start of the season.) Make this clear on the entry form

Points System

- 100 points per species.
 - 10 points per kilogram.
 - Maximum points per fish 300.
- E.g.: 7.8kg Kingfish
78 points for weight
100 points for species
178 points total

Species for open (Senior) points			
Barracouta	Gem Fish	Kingfish	Terakihi
Blue Cod	Gunard	Red Cod	Trumpeter
Blue Moki	Groper	Shark	Trevally
Cray fish	John Dory	Skate	Tuna
Eel	Kawhai	Snapper	Warehou

If you weigh in more than one fish of the same species, only the heaviest of that species will count for points. Seniors should try and weigh one of all the above listed species for the point's trophies. For Junior and U10 points all fish count. So if Juniors and U10 catch it weigh it in.

Scales are available from the clubhouse, and must be returned when finished with, clean please.
