Reefline March 2016

Hi Everyone,

I hope you all had a non-stressful xmas and new-year break. Most of us are back to the same old routines, but at least mother nature is making it more bearable with the current period of good weather. (She can send some rain at night if she wishes).

It has been pointed out the need for more care in the water around the jetties. I would hate to see a total ban put on swimming etc. in this area, but if kids, young and old, cannot use a little grey matter, when enjoying the water, then it might have to be considered at some point. When boats are being launched, retrieved, or heading to the ramps,

DO NOT ENTER THE WATER UNTIL THEY ARE WELL OUT OF THE WAY!!

If your family, and/or friends, do enjoy this area, please pass on our thoughts. Signage will also be placed on the jetties in the near future, with some rules for swimmers and fishermen. If you see anyone endangering themselves, or others, please let them know the error of their ways.

Lastly, just a reminder to all boaties, that there are rules that need to be adhered to on the water. Two that come to mind are,

The maximum speed permitted for all boats in New Zealand is 5 knots (about 9 km/h) within 200 metres of shore or any boat with a dive flag, and within 50 metres of any other boat or swimmer

Enjoy the water, and be safe while doing so.

Happy 2016

Matt Hipperson

Commodore

Reefline March 2016

February 2016 Power boat report

We've had some fantastic weather over the last couple of months with plenty of opportunities to get out for a fish and dive. The water temperatures have been hitting the 20 deg mark the last few days. There have been some good catches of Snapper, Terakihi and Kingfish seen at the filleting bench. The viz has also been pretty good which has helped the divers and spearos to score some cracking catches as well. To date the Albacore have been thin on the ground with only the odd one being caught but if this warm weather holds I'm sure they will be around in number soon.

The organising of the 2016 fishing competition has been underway since before Christmas, we have been lucky to retain the great sponsors we had last year. Harvey World travel have come up with a cracking Vanuatu 10 day cruise for the biggest Snapper. We have also introduced a prize for the LONGEST Snapper, this enables those that don't want to kill a big snapper to still be in with a chance of winning a Panasonic Heat pump sponsored by MPH AC. All you have to do is take photograph of the fish on an official competition measure (available for purchase if required) with your competition tag number in the shot and email it to the email address in the rules. To encourage fish to be brought in for the auction we have changed second heaviest fish to average weight, this gives every fish entered a shot at a prize. The prize list is currently being finalised with our main sponsor Hunting and Fishing and will be available on the website soon.

The competition has been lucky with the weather over the last few years however just in case our luck runs out and both the designated days are blown off we have decided to have a back up day the following weekend.

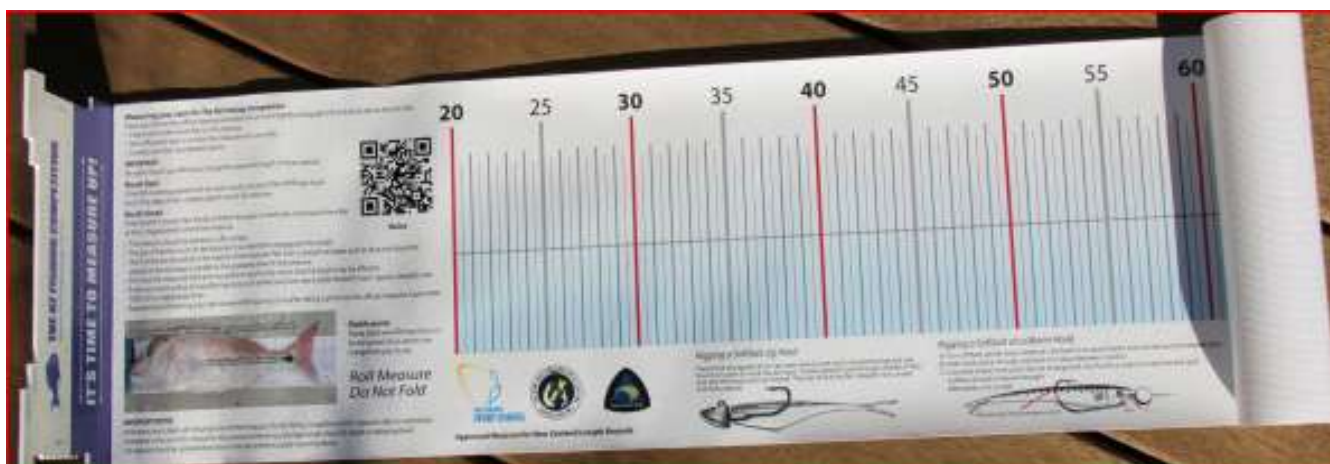

The entry forms and rules are on the clubs website, the first 100 registered entries will receive a cooler bag with the sponsors and clubs logos on. The dates of the competition are 12th and 13th March so make a note in the diary now and tell your mates as well.

There will be a fish auction at the end of both days so tell your friends, family and whanau to get down to the club to buy some of the freshest and cheapest fish this year.

See you all at the fishing comp

VANUATU ADVENTURE

Departing: 16 May 2016 Duration: 10 Nights Ship: Pacific Pearl

10 Night Cruise sailing from Auckland roundtrip aboard Pacific Pearl.

When it's rainy and cold and you're daydreaming about a tropical paradise, you're probably picturing Vanuatu. From lively market places and seaside villages steeped in culture and tradition, to the quintessential 'desert island' that is Mystery island, and P&O Cruises' most loved port of Champagne Bay, perhaps it's time you brought your daydreams to life.

Highlights of this cruise:

Auckland

Auckland lies between two enormous harbours and is dominated by the peak of the volcanic Rangitoto Island. Enjoy island wine trails, forest walks and urban sophistication on offer.

Champagne Bay

Champagne Bay is renowned for its sweeping curve of pristine sand, unquestionably the whitest in the region. Champagne beach and the beaches in Espiritu Santo rank among the most beautiful beaches in the world.

Pentecoste

An island of stunning scenery and home of the unique vine jumping called naghol, a spectacular tradition that originated centuries ago and is still thriving today.

Vila

Vila harbour is active with fishing boats, yachts and speedboats passing between the various nearby islands. Port Vila offers you the opportunity to visit many of the local market stalls set up for each ships call into this port.

Mystery Island

Tiny Mystery Island is picture perfect, with sandy pathways that lead to white beaches edged with coconut trees and crystal clear lagoons offering great snorkeling. This small, uninhabited island is one of the most picturesque of the Vanuatu group.

Itinerary

Day	Port	Arrive	Depart
16/05/16	Auckland, New Zealand		04:00 PM
17/05/16	At Sea		
18/05/16	At Sea

Water - what's it to you?

We love our water around here and use it a lot - the sea, the harbour and the creeks. Some of the ways we use water are causing problems - like the bits of the harbour that are too dirty to safely swim or boat in, and the way our stormwater infrastructure creaks at the seams when it rains hard. Water-related improvements are tricky and cost a lot though, and no-one wants a higher rates bill!

Wellington Regional Council's [Whaitua Committee](#) want to know what matters most to you, so they can make a water management plan for the catchment that invests our money on the right things.

Tell them what you think! [Click here](#) to do it online, or scribble them on one of the survey forms at the Club rooms and stick it in the box.

Plimmerton members on the Whaitua committee are keen to hear from anyone anytime, and happy to talk to groups:

Sailing Academy Report February 2016 For Reefline

We are well into our season now with approximately 50 young people sailing in the Academy. Our second Learn To Sail Group is about to start, our first has already transferred into the Rainbow Sessions on Saturday morning.

Launching

This year we have introduced our Open & Green Fleet sailors to Sunday morning club racing which is turning out to be very successful and we currently have a series running along side of the senior fleet. Specialised coaching clinics are happening with Paramata sailors. Learn To Sail is currently running on Mondays.

Getting ready for a start. Green Fleet

We ran a Resuscitation course at the beginning of the season in October which was arranged by Charlotte Dempster and was well attended.

The Opti-sail camp was run by Titahi Bay in January and we had 11 sailors attend from Plimmerton out of 40 from the Wellington region. This is great for young sailors to build their confidence and gain a greater skill level while having fun.

We have had 3 combined sailing days with Paramata either at Plimmerton or at Paramata so far this season.

Racing. Green Fleet.

The club picnic at Shelly Bay was well attended and a fun day with lots of families attending.

James Bitchener attended the Opti North Island Champs at Napier in November. The conditions were challenging with very light winds and large swells. James finished in the middle of the fleet but gained some very valuable experience.

Our Green Fleet Sailors Left to Right, Sabre Ostenberry, Matthew Gaunt, Thomina &

The schools regatta was held on 10th February at Paramata with some great results from our Plimmer-ton Sailors as follows:
Opti Green Primary School – First Sabre Ostenberry, Third Jack Olson.
Opti Green Secondary School – First Matthew Gaunt
Opti Open Secondary School – First James Bitchener
Starlings Secondary School – 6th Finn Georgeson, 8th Equal Darby Georgeson & Ollie Botha.

We have just returned from the Interislander Regatta which was held in Picton over last weekend (19-21 Feb) which was attended by approximately 180 sailors from all around NZ. We had 12 sailors and their families attend, 7 in the Opti Green Fleet, 1 in the Opti Open Fleet and 4 in Starlings. This was greatly as-

Reefline March 2016

sisted by Paramata BC helping arrange the travel and accommodation for our group which was around 70 people in total. Most of the sailors had never been to a national regatta before and we were inspired by some outstanding results. James Bitchener qualified for the Gold Fleet out of 107 sailors in the Opti Open class. Pheobe Wood was 10th place overall in the Opti Green Fleet out of 42 sailors and was also the first girl in this class. Lilah Smith finished 18th overall and was fourth girl.

Opti Green & Open Fleet (Sabre Ostenberry missing) James Bitchener, Matthew, Siobhen, Thomina, Catriona, Lilah & Phoebe.

We are looking forward to the Plimmerton Regatta on the 28th February and the Wellington Centreboard Champs at Paramata on the 12th & 13th March.

Many thanks to Todd Olson our Vice Commodore of Sailing who's support of the junior sailing has been a huge help to us this season in maturing the Academy.

Warren & Carol.

Starling Sailors Left to Right, Shania Ostenberry, Jack Matthews (Paramata), Onno (Paramata), Ollie Botha, Darby & Finley Georgeson.

Reefline March 2016

We are all enjoying a great summer so far with reports that the fishing is going well, the warm currents have arrived and with it the King fish, Tuna and Snapper being caught in abundance. With the beautiful weather we have seen many people jumping off the jetties, while this may be great fun we have had three near misses with children diving into shallow water and almost being crushed by boats coming into the jetty.

It is illegal to swim with 50 metres of a wharf or jetty and it is dangerous, can people please use common sense when monitoring their children, also now we have the seat and bait board on the southern jetty we have more people there fishing, it is important when fishing to remove your lines when boats are entering the jetty area. **We have erected new signage at the club at both entry points**

Please note: On boating days, cars with trailers only to be in the car park, all crew boats and jetty fishers to be parked outside, with Club Members having larger boats and trailers compared to 5 years ago manoeuvring and parking can become interesting, it was pleasing to see on Monday the club car park full with cars with trailers and not one lone car to be seen. The committee are currently re-viewing the parking areas at the club and sometime in the near future the painted parking areas will be repainted clearly.

Richard has a great couple of months coming up in the club, so don't forget to ask your friends to come down and enjoy some great entertainment and a meal at the club, with the best views from a restaurant in Wellington.

Enjoy the Summer

Rear Commodore House – Michael Sherring

PRICE INCREASE

We wish to give you the best possible service and quality in our bar and restaurant at the best possible price. Due to ever increasing costs, the committee has decided to increase some of the main prices which will include tap beers to go up to \$5.50, house wines to go up to \$6.00 and **Sunday's Carvery to \$19.50 per adult from 1o March 2016. we believe that our pricing still offers great value for money.**

Sunday 3 course Carvery

Sunday from 5:30 pm

\$19.50

Reefline March 2016

El Nino has been kind to the sailors so far this season, we have only had to cancel a few days of racing so far. We have had great fleets out on the water racing, and it is great to see our junior members racing on Sundays, over 15 Juniors and around 14 Senior classes have been out regularly.

You can now keep up to date with our sailing twitter feed, you don't need to have a twitter account, as it is on our club website on the sailing page, it is used to promote events and notify competitors

Our annual regatta is on 28 February and this year it is being supported by Seaview Sails and Rigging and MPH Air Conditioning. Entry on the day from 8.30am

You may have seen a few new club safety boats out on the water this season, they are a great addition to the fleet, allowing us to run bigger events and training. They will be sign written very shortly.

Thanks to all the club members that participated in the fundraiser run by Junior Sailing, we raised \$1500.00 towards more safety equipment for club use.

All the best on the water

Peter Hollyman & Colin Gamble win the Z Class Nationals!

Two of our club members Peter Hollyman & Colin Gamble competed in the 2016 Z Class Nationals held in Dunedin.

The contest consisted of 5 races 4 of which 1st place was achieved with a 3rd place in the final race. This gave them a total of 7 points thus winning the contest overall in their Z Class yacht ITCHY FEET. Additionally there was a North/South challenge trophy up for grabs which was also won by Peter and Colin. This has been placed in the clubs trophy cabinet for a year for viewing.

Congratulations Peter & Colin well done

Major Supporters

In addition to the regular sponsors above, the Club has received significant support from other sources to address specific needs.

The Mana Community Grants Foundation

Provided funding, (\$20,000.00), towards a new support boat, motor and trailer for the Plimmerton Sailing Academy .

The Infinity Foundation

Provided funding (\$7,500.00) towards a new support boat, motor and trailer for the Plimmerton Sailing Academy .

We owe a very big "Thank you!" to these organisations.

Their funding will help us to provide increased support with two new support boats for our juniors in the Plimmerton Sailing Academy.
