Commodore's Report

A belated happy new year to all.

2017 is already disappearing in a rush, so a little info on club news is overdue.

Summer seems to have bypassed us this year and water sports have suffered due to the lack of appropriate weather. Even sailing has been an issue due to either no wind, **or too much. Hasn't been too many days when conditions have allowed an event to continue all day.**

Yachting NZ has made available a membership card that gives access to many discounts and benefits to the holders. Visit the YNZ website for further info. To apply for the card, please email the club your request and also confirm your agreement for the PBC to release your contact details to YNZ.

The Plimmerton Rotary club has come on board, with a grant for 50% of the cost of installing an automated defibrillator device at the club. This will be mounted on the **outside wall, and will be available to the public 24/7. Hopefully it won't see much use!**

To sum up, congrats to Toddy for organising a successful weekend of competition for **the Noelex 22's (Nth Isl Champs) E5.9 and Flying Dutchman classes, both junior and senior classes.** Feedback has been positive with praise for organisers, volunteers, and our facilities.

Our annual fishing competition was disrupted on the second day by bad weather but a huge thanks to all the sponsors and the volunteers that made it possible.

Will be in touch again soon.

Cheers

Matt Hipperson

Sailing Academy Report

The coaching season for the Plimmerton Sailing Academy finished with a fun relay race in the plastic optimists. Finlay's team, which included some very fast green fleeters showed great style and claimed their bounty of easter eggs (tied to the finish mark). With the sun now sinking rapidly everyone celebrated the end of the season with a synchronised leap from the jetty. Isabella's "starfish" dive being the most spectacular.

On the same night, the Baxters were last seen heading into the sunset in their Starlings with Marcus the coach in pursuit. Some last minute training for the Starling Nationals over Easter. Good luck to Fergus, Caleb and Andre.

Good luck also to Harry Pink and Jack Olson who are heading to the Optimist Nationals in New Plymouth. And also off to the Secondary Schools Team Nationals is team "Wellington Combined" with 6 of the 7 members from Plimmerton Boating Club - Darby, Andre, Fin, Fergus, Caleb and Tui.

A big thank you to all the coaches and volunteers for their hard work during a blustery season.

The prize giving night is scheduled for Saturday 20th May. See you there and on the water.

Tom Georgeson

MEMBERS MEGA CASH DRAW

JACKPOT CASH

FRIDAYS 7:00 PM

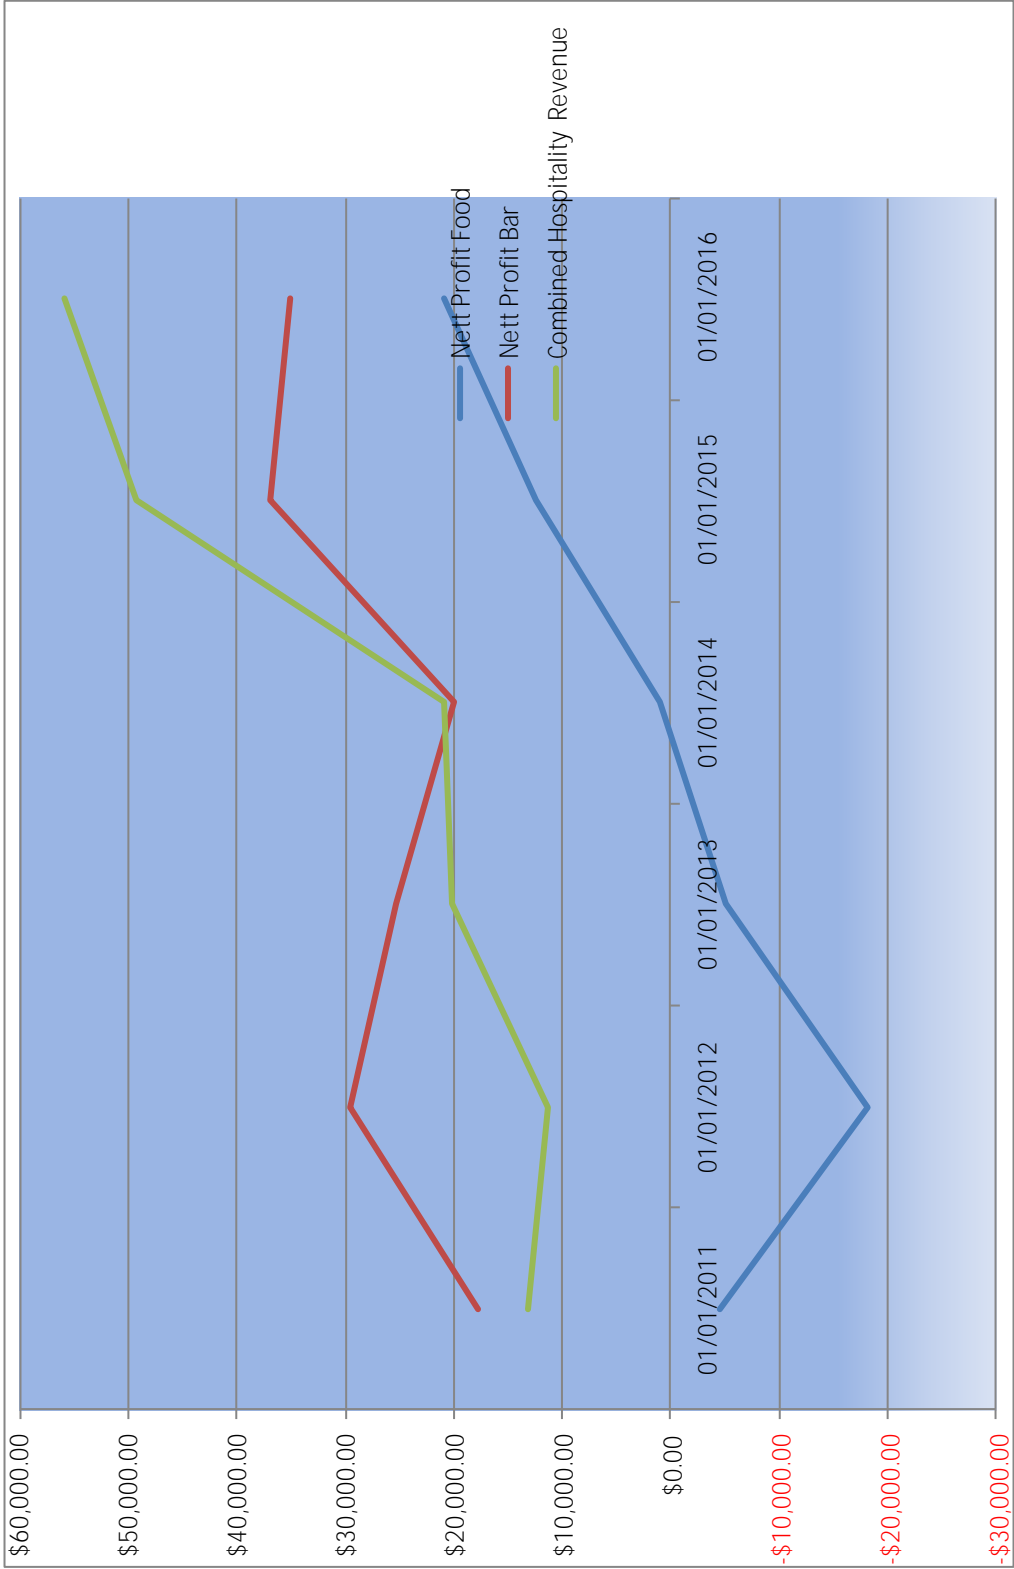

PLIMMERTON BOATING CLUB

FAMILY/SENIOR, LIFE, VETERAN AND ASSOCIATE MEMBERS ELIGIBLE TO WIN! MUST BE HERE TO WIN! MEMBERS HAVE 3 MINUTES FROM THE TIME OF THE DRAW TO CLAIM THEIR PRIZE WITH PROOF OF IDENTITY

Friday night's Mega Crash Draw

The weekly member draw is very popular with Johan Sinke winning \$1,300.00 and Dick Carter winning \$300.00 recently! See you at the Club, Richard de Groot.

These figures and graph represent the performance of our Club's hospitality operation from 2011 to 2016; sourced from the club's audited financial accounts. I expect these healthy trends to continue as we approach the end of our financial year on 31 May 2017. The recent appointment of Head Chef Nadia Soul bears the promise of further improvements to our hospitably service and returns to our Club for 2017-2018.

Thanks to all our staff who work hard to achieve these results, and for the great support from Rear Commodore House; Mike Sherring
Richard de Groot.

Fishing Report

This summer was short and fast with limited opportunities to enjoy the fishing and diving, this has been reflected in the low number of entries to the members all round fishing competition which ends on 30th April. If you have any entries that you want to submit please email them to:-

fishrecorder@plimmertonboatingclub.org.nz

The email should contain the following:-

Name of person that caught the fish

Name of witness,

Date of catch,

Category :- junior (16 or under) male senior, female senior

Species

Photograph of the fish on the measure

The prize giving will be sometime in June, the date will be announced via email from Richard de Groot.

The open fishing competition went well despite the weathers best attempts, we had one full days fishing on Saturday and 3 hours on the Sunday before the wind became too strong.

The results are listed on the clubs website for all to see, the biggest snapper was 7.1kg caught by Craig Harrison on one of the smallest boats to fish the competition. There were over 50 boats and 150 plus entrants. There were less juniors in the competition this year which was probably a reflection of the poor weather forecast, it would be good to see more participation of the juniors in the club competitions.

Planning Officer

We have re-marked the main (northern) parking area giving it a slightly increased angle to allow better access for vehicles with trailers. Members should take note of the sign that says “parking for cars with trailers only” to allow boaties to use the facilities for its intended purpose; boat launching. If you are taking guests or crew out please have them park outside. We will be marking out wash down areas with signage advising against the use of detergent, please adhere to these.

Our eastern sea wall, (close to the public toilets), has suffered damage in recent quakes and weather events. Repair work in this area will commence presently; temporary fencing has been completed to restrict access.

While the above work is in progress we may commence further preliminary work placing concrete blocks in the Western Seawall Area.

Rear Commodore House

Some interesting changes have taken place at the PBC in the last few months, with more to come .

You will have noticed we now have two Point of Sale tills in the main bar, we have the ability to run further tills around the club if needed, for example the Fishing competition we were able to use an Tablet in The Slipway Bar linked to the POS system, saving a lot of time when people were paying and purchasing drinks, the POS system will be eventually linked to the Club accounting software making for more accurate reporting and accounting . This will give Richard and members of the committee more accurate information of how the club is running for future planning.

In the kitchen the benefit of the new POS is automatic print out of a meal order required for each person/table. Speaking of the kitchen we welcome our new Head Chef Nadia , who is at present working all hours with Richard sorting out menus/costings and how the club kitchen works. You may have noticed menu changes already including many made in house dishes , these are to be confirmed in the next few weeks. Nadia lives locally with husband Gary and is enjoying the challenge the PBC presents.

Table booking – this will be very welcome if members could pre-book for meals , reserved tables will be set with linen. This helps Nadia and staff members a great deal with catering numbers and planning table layout , if everyone could think ahead it will be a great help!

The club is operating very well, under good stewardship, come and join us one night , we have great entertainment planned over the next few months with Rugby, Jam Nights, Quiz Nights and the Andrew London Trio returning on 15 June for a dinner & show.

Major Supporters

In addition to the regular sponsors above, the Club has received significant support from other sources to address specific needs.

The Mana Community Grants Foundation *Provided funding, (\$20,000.00), towards a new support boat, motor and trailer for the Plimmerton Sailing Academy.*

NZ Racing Board, *Provided funding \$12,548.43 Funding towards second support boat, Life Jackets, Spray Jackets, Hydraulic Upgrades to Graffiti & Keith Stokes Support Boats.*

NZCT *Provided funding (\$10,000) Reroofing of Boat Sheds.*

The Infinity Foundation *Provided funding (\$7,500.00 - 2014-2015) towards a new support boat, motor and trailer for the Plimmerton Sailing Academy.*

We owe a very big "Thank you!" to these organisations.

Their funding will help us to provide increased support with two new support boats for our juniors in the Plimmerton Sailing Academy.
