

PLIMMERTON BOATING CLUB FISHING & DIVING COMPETITION 2018

Fees must be paid up and cleared prior to competition – no refunds will be given.

Important changes

1. Launching can be done from anywhere within the competition boundaries.
2. Competition fishing grounds: The southern boundary is a straight line from Cape Palliser to the entrance to Tory Channel. The northern boundary is the Latitude line from Te Horo beach. A Cook Strait grid map will be provided for each boat.
3. Fish submitted for prizes must be photographed on specified measure with tag and submitted as per instructions in 'Fishing' section below.
4. There is no fish auction this year - All competitors may keep or release their fish caught. It does not make sense to weigh in the big ones anymore. They are our sustainable breeders for the future of our sport.
